

Welcome to Page Custom Rods and Restorations, home of some of the finest quality built rides from the 1930s through the 1970s in the country. We are located in Oilville Virginia only 20 minutes from Richmond. We employ only the best Craftsmen in the area and all have decades of experience in auto repair, modification, body, metal fabrication or paint work. We can take your project from any condition, to any level you desire. Take a few minutes to browse our site and when you are ready for us to build the car of your dreams, or just perform maintenance, repairs, or modifications on your current car, give us a call. If you are in the market to purchase check out our For Sale page, we occassionally have some of our own or our client's vehicles listed for sale. Thanks for spending some of your valuable time with us. Larry Page
